### Training Program on Soft Skills

(01-02-2024 to 03-02-2024)

A three-day Soft Skills program was conducted by Skill Development Centre, Dr. Lankapalli Bullayya College of Engineering for the students of II Year B.Tech, Electrical & Electronics Engineering from 01-02-2024 to 03-02-2024. The program aimed to equip students with essential soft skills that are crucial for their holistic development. During the program, the resource person Mr. K. Sasidhar covered the following topics. The introduction to soft skills focused on understanding their importance and application in various contexts.

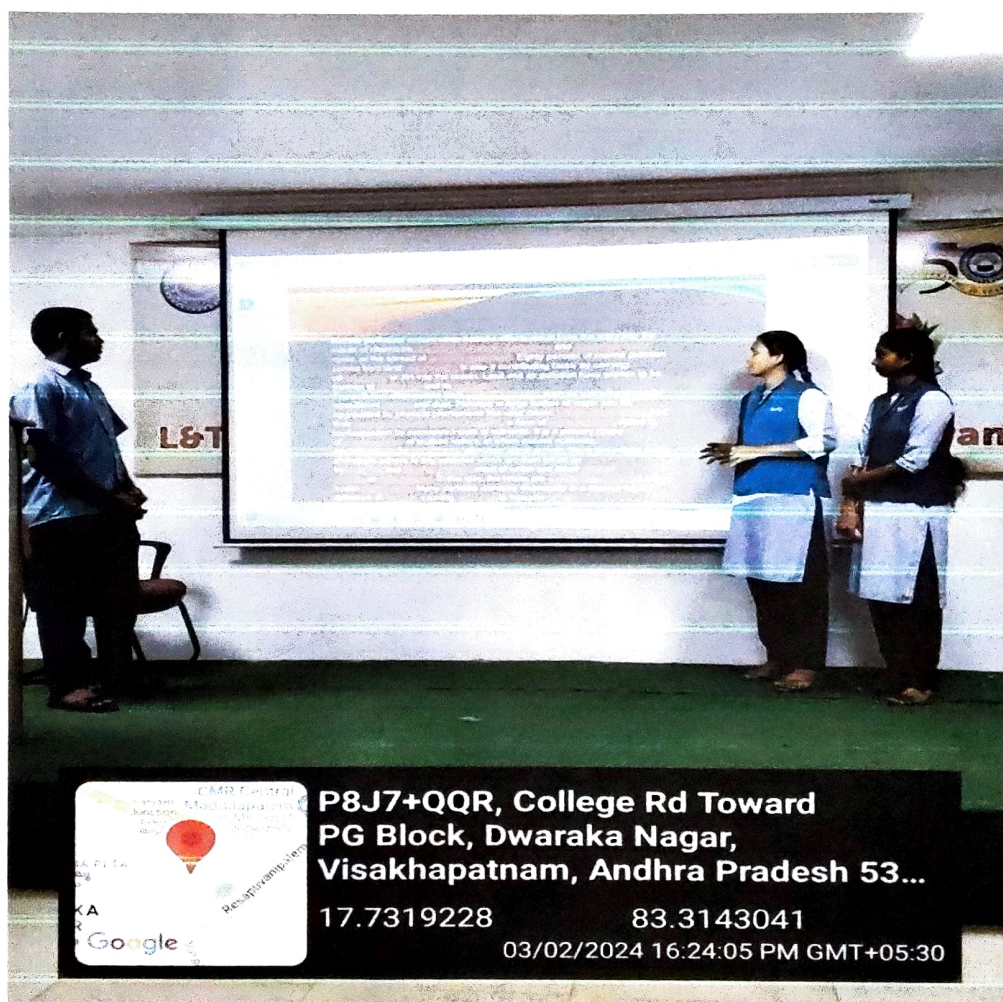

The resource person, Mr. K.Sasidhar explaining the concept of team work

Student presenting her strengths, weaknesses, opportunities and threats (SWOT Activity)

The sessions on attitude and behaviour explored the impact of a positive attitude and behaviour on personal and professional life. Time management was another critical topic, with techniques and strategies for managing time effectively. Teamwork and team management emphasized the importance of teamwork and the skills necessary for managing and working effectively in teams. Adaptability sessions concentrated on developing the ability to adapt to changing environments and situations. Critical thinking sessions aimed at enhancing students' critical thinking skills for better analysis and problem-solving. Lastly, problem-solving and decision-making approaches were discussed to help students develop effective problem-solving techniques and make informed decisions.

**Students are delivering a team presentation as part of their team management activity.**

The principal of the college, Dr. D. Deepak Chowdary congratulated the coordinator and the entire team of the Skill Development Centre team for their dedicated efforts in conducting the event. Mr. D. Bhujanga Rao appreciated the students for their enthusiastic participation. The students thanked the event organizers, resource person, coordinators, and the principal for providing a platform to learn and excel the skills necessary for their personal and professional development. Mr. D. Bhujanga Rao thanked Dr. Madhavi, Head of the Department, Computer Science Engineering, Dr. Anandh, Head of the Department, Electrical and Electronics Engineering, Dr. V. Solman Gowtham, Head of the Department, Electronics and Communications Engineering, Dr. G.T. Naidu, Head of the Department, Civil Engineering, Dr. Radhadevi, Head of the Department, Basic Science & Humanities for their timely support and guidance.

### **Outcomes**

A three-day Soft Skills program was conducted by Skill Development Centre, Dr. Lankapalli Bullayya College of Engineering for the students of II Year B.Tech, Electronics and Communication Engineering from 18-03-2024 to 20-03-2024. The program aimed to equip students with essential soft skills that are crucial for their holistic development. During the program, the resource person Mr. K. Sasidhar covered the following topics. The introduction to soft skills focused on understanding their importance and application in various contexts.

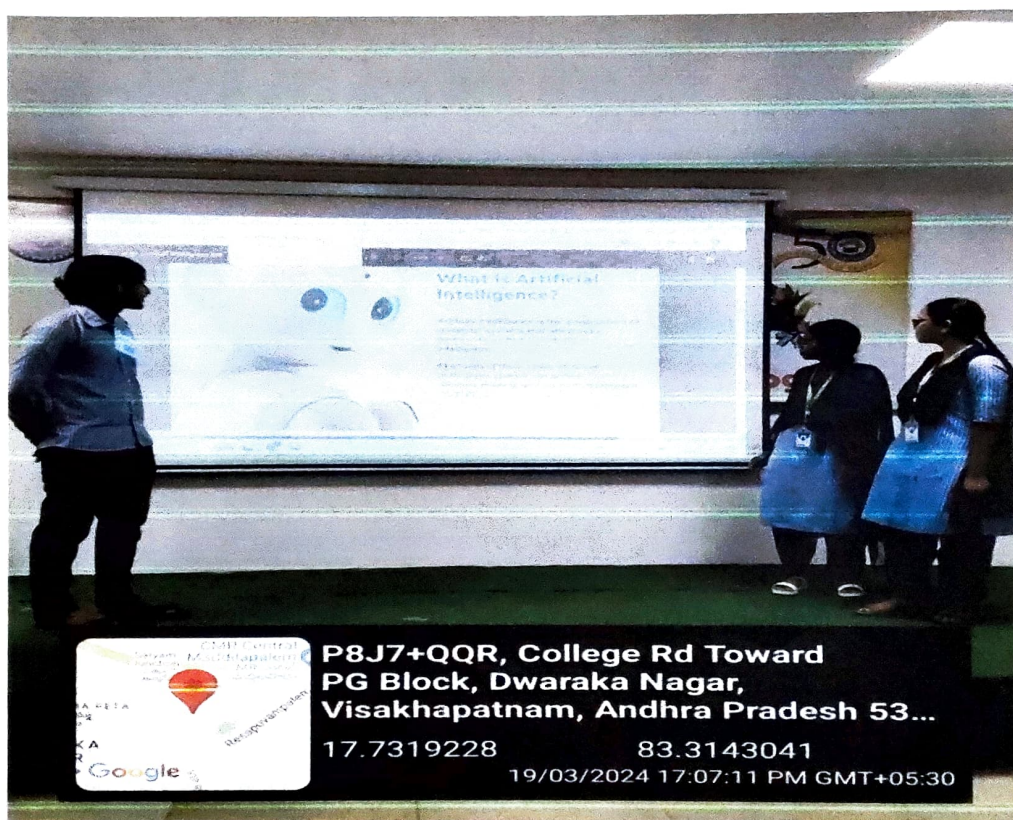

The resource person, Mr. K.Sasidhar explaining the difference between soft skills and hard skills

Student presenting her strengths, weaknesses, opportunities and threats (SWOT Activity)

The sessions on attitude and behaviour explored the impact of a positive attitude and behaviour on personal and professional life. Time management was another critical topic, with techniques and strategies for managing time effectively. Teamwork and team management emphasized the importance of teamwork and the skills necessary for managing and working effectively in teams. Adaptability sessions concentrated on developing the ability to adapt to changing environments and situations. Critical thinking sessions aimed at enhancing students' critical thinking skills for better analysis and problem-solving. Lastly, problem-solving and decision-making approaches were discussed to help students develop effective problem-solving techniques and make informed decisions.

**Students are delivering a team presentation as part of their team management activity.**

The principal of the college, Dr. D. Deepak Chowdary congratulated the coordinator and the entire team of the Skill Development Centre team for their dedicated efforts in conducting the event. Mr. D. Bhujanga Rao appreciated the students for their enthusiastic participation. The students thanked the event organizers, resource person, coordinators, and the principal for providing a

platform to learn and excel the skills necessary for their personal and professional development. Mr. D. Bhujanga Rao thanked Dr. Madhavi, Head of the Department, Computer Science Engineering, Dr. Anandh, Head of the Department, Electrical and Electronics Engineering, Dr. V. Solman Gowtham, Head of the Department, Electronics and Communications Engineering, Dr. G.T. Naidu, Head of the Department, Civil Engineering, Dr. Radhadevi, Head of the Department, Basic Science & Humanities for their timely support and guidance.

### **Outcomes**

- Learnt the importance of soft skills and how to apply these skills in both academic and professional settings.
- Become self-confident individuals by mastering interpersonal skills, team management skills, and leadership skills.
- Understood the importance of time and team management

## About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

## About Skill Development Centre

In accordance with the Vision of the College to create value added citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

## About the Program

In today's competitive professional environment, possessing strong soft skills is essential for success. The sessions on attitude and behaviour explored the impact of a positive attitude and behaviour on personal and professional life. Time management was another critical topic, with techniques and strategies for managing time effectively. Teamwork and team management emphasized the importance of teamwork and the skills necessary for managing and working effectively in teams. Adaptability sessions concentrated on developing the ability to adapt to changing environments and situations. Critical thinking sessions aimed at enhancing students' critical thinking skills for better analysis and problem-solving. Lastly, problem-solving and decision-making approaches were discussed to help students develop effective problem-solving techniques and make informed decisions.

**Students are delivering a team presentation as part of their team management activity.**

The principal of the college, Dr. D. Deepak Chowdary congratulated the coordinator and the entire team of the Skill Development Centre team for their dedicated efforts in conducting the event.

Mr. D. Bhujanga Rao appreciated the students for their enthusiastic participation. The students thanked the event organizers, resource person, coordinators, and the principal for providing a platform to learn and excel the skills necessary for their personal and professional development. Mr. D. Bhujanga Rao thanked Dr. Madhavi, Head of the Department, Computer Science Engineering, Dr. Anandh, Head of the Department, Electrical and Electronics Engineering, Dr. V. Solman Gowtham, Head of the Department, Electronics and Communications Engineering, Dr. G.T.
