## About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

## About Skill Development Centre

In accordance with the Vision of the College to create value added citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

## About the Program

Having good English communication skills is crucial, especially when it comes to professional life. If an individual is having good English communication skills, then there will be no difficulty in conversing with colleagues or giving an interview for a job. The program is intended not only to bring awareness on communication skills but also to improve competencies. It also helps the students to develop proficiency in the four language skills: listening, speaking, reading, and writing.

## Course Contents

- Introduction to Communication.
- Listening, Speaking, Reading and Writing Skills.
- Formal and Information Communication
- Basic Grammar

### Training Program on Communication Skills

(09-10-2023 to 11-10-2023)

The Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering conducted a three-day communication skills program for the students of II Year, B. Tech, Electrical and Electronics Engineering from 09-10-2023 to 11-10-2023. The program aimed to enhance the students' communication abilities, essential for their academic and professional growth. During the program, the resource person, Mr.K. Sasidhar comprehensively covered several key topics. The introduction to communication focused on understanding the fundamentals and the importance of effective communication.

Mr.K.Sasidhar, Resource Person explaining the 4 P's of presentation

Students performing Role Play activity by using polite expressions

The sessions on listening, speaking, reading, and writing skills provided techniques to improve these core areas. Formal and informal communication was discussed, highlighting the differences and appropriate usage in various contexts. Basic grammar was covered to ensure students understood essential grammar rules for effective communication. Polite expressions were also taught, emphasizing the use of courteous language in interactions.

**Students are presenting their arguments and rebuttals in the debate**

Effective presentations were another crucial topic, with tips and strategies for delivering impactful presentations. Lastly, group discussions and debate sessions were conducted to engage students in constructive discussions and debates, fostering teamwork and communication competencies.

The principal of the college, Dr. D. Deepak Chowdary congratulated the coordinator and the entire team of the Skill Development Centre team for their dedicated efforts in conducting the event. Mr. D. Bhujanga Rao appreciated the students for their enthusiastic participation. The students thanked the event organizers, resource person, coordinators, and the principal for providing a platform to learn and excel the skills necessary for their personal and professional development. Mr. D. Bhujanga Rao thanked Dr. Madhavi, Head of the Department, Computer Science Engineering, Dr. Anandh, Head of the Department, Electrical and Electronics Engineering, Dr. V. Solman Gowtham, Head of the Department, Electronics and Communications Engineering, Dr. G.T. Naidu, Head of the Department, Civil Engineering, Dr. Radhadevi, Head of the Department, Basic Science & Humanities for their timely support and guidance.

### Outcomes

- Students understood the importance of communication skills. They learnt the role of communication in daily life and its significance in the job selection process.
- They could comprehend the usage of language in various contexts.
- They also learnt the importance of syntax and vocabulary in communication.

### Training Program on Communication Skills

(20-09-2023 to 22-09-2023)

The Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering conducted a three-day communication skills program for the students of II Year, B. Tech, Electronics and Communication Engineering from 20-09-2023 to 22-09-2023. The program aimed to enhance the students' communication abilities, essential for their academic and professional growth. During the program, the resource person, Mr.K. Sasidhar comprehensively covered several key topics. The introduction to communication focused on understanding the fundamentals and the importance of effective communication.

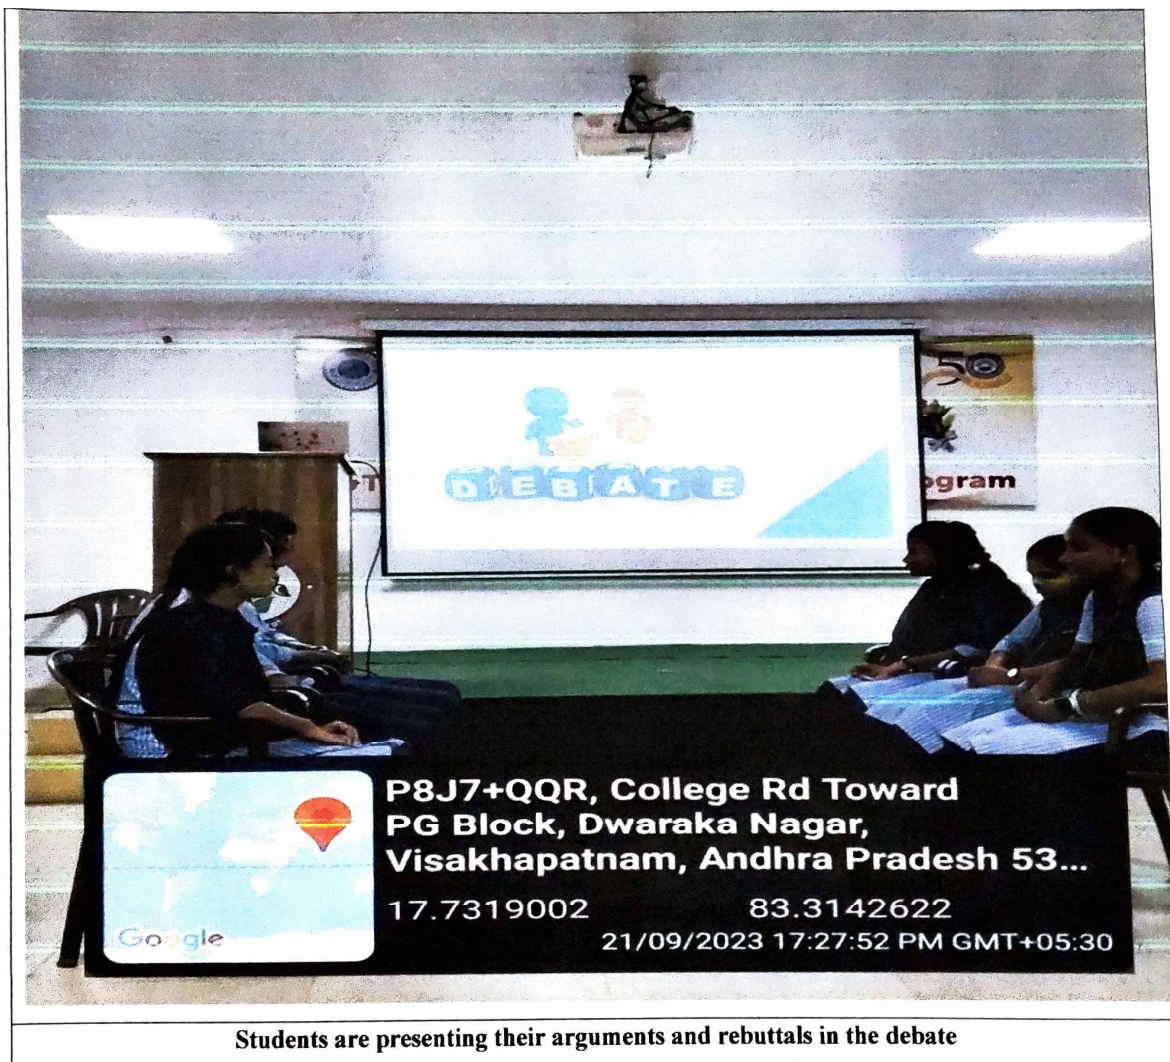

Mr.K.Sasidhar, Resource Person explaining the role of listening in the process of communication

Students are using polite expressions in the Role Play activity

The sessions on listening, speaking, reading, and writing skills provided techniques to improve these core areas. Formal and informal communication was discussed, highlighting the differences and appropriate usage in various contexts. Basic grammar was covered to ensure students understood essential grammar rules for effective communication. Polite expressions were also taught, emphasizing the use of courteous language in interactions.

Effective presentations were another crucial topic, with tips and strategies for delivering impactful presentations. Lastly, group discussions and debate sessions were conducted to engage students in constructive discussions and debates, fostering teamwork and communication competencies.

The principal of the college, Dr. D. Deepak Chowdary congratulated the coordinator and the entire team of the Skill Development Centre team for their dedicated efforts in conducting the event. Mr. D. Bhujanga Rao appreciated the students for their enthusiastic participation. The students thanked the event organizers, resource person, coordinators, and the principal for providing a platform to learn and excel the skills necessary for their personal and professional development. Mr. D. Bhujanga Rao thanked Dr. Madhavi, Head of the Department, Computer Science Engineering, Dr. Anandh, Head of the Department, Electrical and Electronics Engineering, Dr. V. Solman Gowtham, Head of the Department, Electronics and Communications Engineering, Dr. G.T. Naidu, Head of the Department, Civil Engineering, Dr. Radhadevi, Head of the Department, Basic Science & Humanities for their timely support and guidance.

### **Outcomes**

- Students understood the importance of communication skills. They learnt the role of communication in daily life and its significance in the job selection process.
- They could comprehend the usage of language in various contexts.
- They also learnt the importance of syntax and vocabulary in communication.

## About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

## About Skill Development Centre

In accordance with the Vision of the College to create value added citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

## About the Program

Having good English communication skills is crucial, especially when it comes to professional life. If an individual is having good English communication skills, then there will be no difficulty in conversing with colleagues or giving an interview for a job. The program is intended not only to bring awareness on communication skills but also to improve competencies. It also helps the students to develop proficiency in the four language skills: listening, speaking, reading, and writing.

## Course Contents

- Introduction to Communication.
- Listening, Speaking, Reading and Writing Skills.
- Formal and Information Communication
- Basic Grammar
- Polite Expressions.
- Effective Presentations
- Group Discussions and Debate Sessions.

**Eligibility: II Year, Computer Science Engineering Students**

### Training Program on Communication Skills

(12-10-2023 to 14-10-2023)

The Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering conducted a three-day communication skills program for the students of II Year, B. Tech, Computer Science Engineering from 12-10-2023 to 14-10-2023. The program aimed to enhance the students' communication abilities, essential for their academic and professional growth. During the program, the resource person, Mr.K. Sasidhar comprehensively covered several key topics. The introduction to communication focused on understanding the fundamentals and the importance of effective communication.

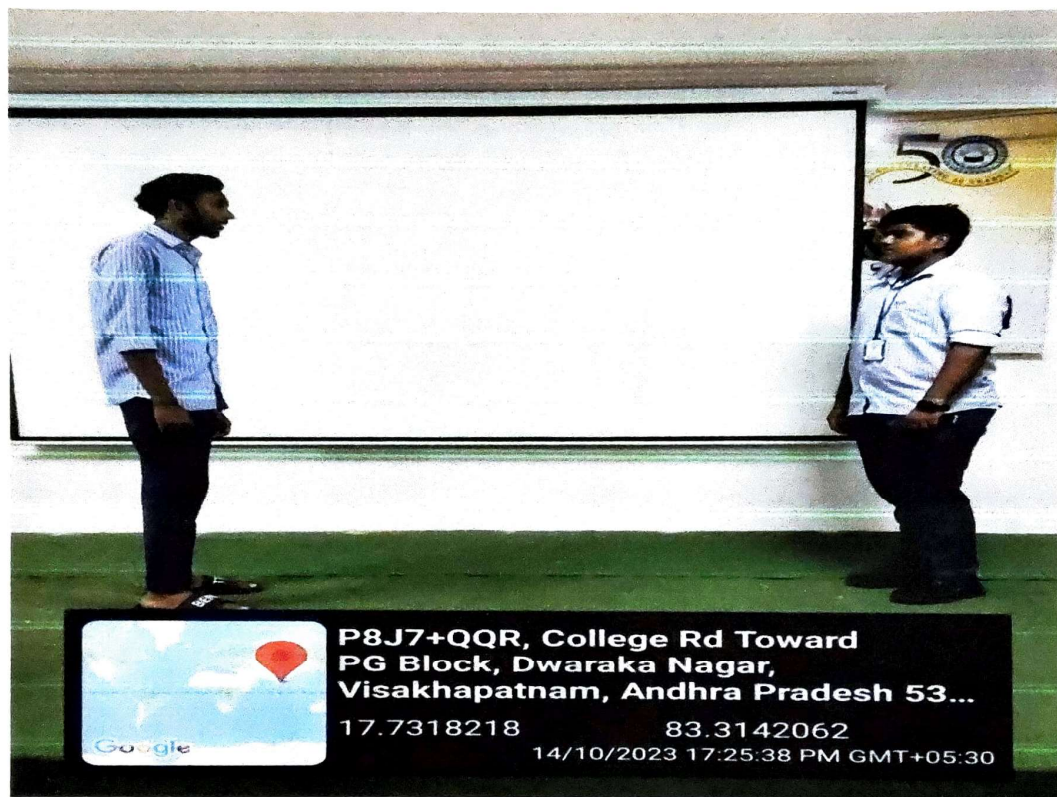

Mr.K.Sasidhar, Resource Person explaining the role of communication

As a part of activity. student is delivering the presentation

The sessions on listening, speaking, reading, and writing skills provided techniques to improve these core areas. Formal and informal communication was discussed, highlighting the differences and appropriate usage in various contexts. Basic grammar was covered to ensure students understood essential grammar rules for effective communication. Polite expressions were also taught, emphasizing the use of courteous language in interactions.

**Students using polite expressions in the role play activity**

Effective presentations were another crucial topic, with tips and strategies for delivering impactful presentations. Lastly, group discussions and debate sessions were conducted to engage students in constructive discussions and debates, fostering teamwork and communication competencies.

The principal of the college, Dr. D. Deepak Chowdary congratulated the coordinator and the entire team of the Skill Development Centre team for their dedicated efforts in conducting the event. Mr. D. Bhujanga Rao appreciated the students for their enthusiastic participation. The students

thanked the event organizers, resource person, coordinators, and the principal for providing a platform to learn and excel the skills necessary for their personal and professional development. Mr. D. Bhujanga Rao thanked Dr. Madhavi, Head of the Department, Computer Science Engineering, Dr. Anandh, Head of the Department, Electrical and Electronics Engineering, Dr. V. Solman Gowtham, Head of the Department, Electronics and Communications Engineering, Dr. G.T. Naidu, Head of the Department, Civil Engineering, Dr. Radhadevi, Head of the Department, Basic Science & Humanities for their timely support and guidance.

### **Outcomes**

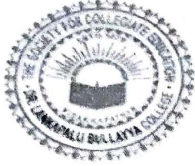

- Students understood the importance of communication skills. They learnt the role of communication in daily life and its significance in the job selection process.
- They could comprehend the usage of language in various contexts.
- They also learnt the importance of syntax and vocabulary in communication.

## About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

## About Skill Development Centre

In accordance with the Vision of the College to create value added citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

## About the Program

Having good English communication skills is crucial, especially when it comes to professional life. If an individual is having good English communication skills, then there will be no difficulty in conversing with colleagues or giving an interview for a job. The program is intended not only to bring awareness on communication skills but also to improve competencies. It also helps the students to develop proficiency in the four language skills: listening, speaking, reading, and writing.

## Course Contents

- Introduction to Communication.
- Listening, Speaking, Reading and Writing Skills.
- Formal and Information Communication
- Basic Grammar
- Polite Expressions.
- Effective Presentations
- Group Discussions and Debate Sessions.

**Eligibility: II Year, Civil Engineering Students**

### Training Program on Communication Skills

(25-09-2023 to 27-09-2023)

The Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering conducted a three-day communication skills program for the students of II Year, B. Tech, Civil Engineering from 25-09-2023 to 27-09-2023. The program aimed to enhance the students' communication abilities, essential for their academic and professional growth.

During the program, the resource person, Mr.K. Sasidhar comprehensively covered several key topics. The introduction to communication focused on understanding the fundamentals and the importance of effective communication.

Students performing Role Play activity by using polite expressions

Mr.K.Sasidhar, Resource Person explaining the difference between formal and informal communication

The sessions on listening, speaking, reading, and writing skills provided techniques to improve these core areas. Formal and informal communication was discussed, highlighting the differences and appropriate usage in various contexts. Basic grammar was covered to ensure students understood essential grammar rules for effective communication. Polite expressions were also taught, emphasizing the use of courteous language in interactions.

**Students are presenting their arguments and rebuttals in the debate**

Effective presentations were another crucial topic, with tips and strategies for delivering impactful presentations. Lastly, group discussions and debate sessions were conducted to engage students in constructive discussions and debates, fostering teamwork and communication competencies.

The principal of the college, Dr. D. Deepak Chowdary congratulated the coordinator and the entire team of the Skill Development Centre team for their dedicated efforts in conducting the event.

Mr. D. Bhujanga Rao appreciated the students for their enthusiastic participation. The students thanked the event organizers, resource person, coordinators, and the principal for providing a platform to learn and excel the skills necessary for their personal and professional development. Mr. D. Bhujanga Rao thanked Dr. Madhavi, Head of the Department, Computer Science Engineering, Dr. Anandh, Head of the Department, Electrical and Electronics Engineering, Dr. V. Solman Gowtham, Head of the Department, Electronics and Communications Engineering, Dr. G.T. Naidu, Head of the Department, Civil Engineering, Dr. Radhadevi, Head of the Department, Basic Science & Humanities for their timely support and guidance.

### Outcomes

- Students understood the importance of communication skills. They learnt the role of communication in daily life and its significance in the job selection process.
- They could comprehend the usage of language in various contexts.
- They also learnt the importance of syntax and vocabulary in communication.
