3.4.2 Awards and recognitions received for extension activities from government / government recognised bodies

Dr.Lankapalli Bullayya College of Engineering has through its various Academic departments and NSS unit have conducted Extension activities to spread awareness and improve the quality of life of the residents of the Resapuvanipalem for which they have received various Government and Government recognized bodies.

The Department of EEE has conducted extension activities through the GREEN9 ENSAV club focusing on Energy conservation by conducting a house-to-house survey in that area. The club members enlightened the residents about the need for Energy conservation and suggested measures to reduce power consumption. For this activity, the GREEN9 ENSAV club received various prizes and medals both in the year 2020 and 2022. In the year 2020, the club received GREEN9 PREMIER ENSAV CLUB AWARD 2020, GREEN9 ENSAV BEST ADVISOR AWARD 2020, as well as two awards for GREEN9 SDG AWARD 2020 for BEST FACULTY. Two of the club members also achieved the GREEN9 ENSAV AWARD for 2020. In the year 2022, the club also received Certificate of Appreciation for being an organizing partner in the National Energy Conservation Month from the Institute of Green Engineers iGen.

The Department of Civil Engineering has conducted Water conservation survey in Resapuvanipalem, Visakhapatnam. The students focused on bringing about regarding the need for water conservation and suggested appropriate measures to achieve underground water conservation. The Village residents of Resapuvanipalem through their village President has expressed their gratitude by means of an Appreciation Letter to the College.

The NSS Unit of the College conducted extension activities related to societal improvement focusing on Awareness programmes relating to Health & Hygiene, Food & Nutrition, Enhancing Literacy, Prevention of Child Marriages, Women Empowerment, AIDS awareness, Blood Donation and Civic responsibilities. The NSS Unit of the College was chosen among many other NSS units of the city to participate in the UNICEF project on Risk Communication and Community Engagement (RCCE) during which the NSS unit has conducted rallies and awareness programs during the Covid-19 pandemic focusing on the vulnerable sections of society including children, pregnant mothers and elderly people. The Village residents of Resapuvanipalem through their village President have expressed their gratitude by means of an Appreciation Letter to the College. The Government of Andhra Pradesh has recognized the efforts of the NSS Unit of this college by means of a Letter of Appreciation.

Dr. Lankapalli Bullayya College of Engineering

New Resapuvani Palem, Visakhapatnam

Sponsored by Society of Collegiate Education

Approved by AICTE, Affiliated to Andhra University

3.4.2 Awards and recognitions received for extension activities from government / government recognised bodies

The College has received various Awards and recognitions from various Government and Government recognized bodies for conducting various Extension Programmes in the neighbourhood community.

APPRECIATION LETTER

To
The Principal,
Dr. Lankapalli Bullayya College of Engineering,
Visakhapatnam.

Sir,

It is happy to note that the NSS Unit of Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam has successfully conducted an Awareness campaign regarding Mother's milk-immunity boosters to Infants to residents of the Resapuvanipalem slum on 28-06-2022.

We appreciate the Management and Principal of Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam for initiating such activities.

We also appreciate the efforts of Mrs. S. Siva Jyothi, NSS Programme Officer, and all NSS Students of Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam for successfully conducting this event, which will be useful for the Awareness campaign regarding Mother's milk... immunity boosters to Infants to residents of the Resapuvanipalem slum.

We are thankful to the Management and Principal of Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam for promoting such events.

Yours Truly,

B. G. G. G.

To
The Principal
Dr. Lankapalli Bullayya College of Engineering
Visakhapatnam

Dear Sir,

Sub: Appreciation Letter for the extension Activity.

The Department of Civil Engineering of Dr.Lankapalli Bullayya College of Engineering conducted an Extension Activity with the III/IV B.Tech Students in the Resapuvanipalem locality on 18-04-2023. The study included Type of house, Rainwater harvest availability, water usage, water tank size available, source of water availability, TDS of water, usage of water purifier, identification of any distress, and identification of cracks, drainage facility, and greenery.

The Activity was a great success as the residents of the area were much impressed and happy. The students were also able to induce Practical Learning along with their curriculum. Conducting household surveys as students is a valuable learning experience that provides practical research skills, promotes community engagement, and contributes to the understanding of various aspects of households and communities. Students were able to understand the practical issues associated with a household that occurs after construction.

Appreciating the efforts of **Dr. Lankapalli Bullayya College of Engineering** for organizing such activities. Also a Special appreciation to the students of **Civil Department** for actively participating in the activity which allows them to gain practical knowledge. Hoping for more such activities from the College and the Department of Civil Engineering.

Yours Sincerely,

SADI PADMAVATHI
