5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni Relations Committee of Dr Lankapalli Bullayya College of Engineering (LBCE) has been actively engaging the Alumni Relations. The committee is headed by a senior faculty member as the Alumni Relations Co-ordinator of the college. One faculty member from each Department acts as the member of this committee. The Alumni Relations Committee provides an interface for establishing a link between the alumni, staff, and students of the institute. It has been inviting the old students regularly to the college and conducting the awareness sessions to the current students by Alumni. The old students interact with the current batch of students and mentor them during their visit to the college. Alumni share their experiences, and knowledge and advise the current students. Through these alumni meets, a strong bond is created between the passed out students and the current students. LBCE alumni are currently working in various positions all over the globe and proving their mettle in their employment. Most of the alumni are successful in their chosen career such as jobs and in the field of entrepreneurship. Some of them completed higher education degrees like M.Tech, MBA, Ph.D. Few of them are working as the Government Employees. LBCE has been planning to register its Alumni Association under the Societies Registration Act soon.

Alumni Interaction Report “Building a Successful Career” 10-02-2023

Dr. Lankapalli Bullayya College Of Engineering Alumni Association organized a Career Development interaction on the theme “Building a Successful Career” on 10-02-2023 from 11:00AM-12:00PM. The speaker of this program was Ms. G Malini Jyothi Swarupa, an alumni of the 2017-21 Batch of the College who is currently working as a Software Engineer at HCL technologies Ltd.

The Programme started with a welcome address by Mr. B. Satish Naidu, Asst.Professor and Convenor of Alumni Committee of the College. He stressed the need for the alumni of the College to contribute to the development of the Student Community through regular interaction.

Ms.Swarupa began the interaction by initially thanking the Management, Faculty Members and Staff of the College for having encouraged and supported her adequately which helped her in building a career in the IT Industry. The interaction was designed to guide and motivate the students to take up the correct careers with full seriousness and in the right spirit.

She discussed the importance of selecting the right domain which appropriately matches the interests and skillset of the Student. She discussed the various methods to be followed to inculcate the habits and behavior which helps the Student to smoothly transition into industry. She elaborated the stresses, strains and challenges faced in the Industry on regular basis and provided a broad perspective to be adopted to face those challenges. She provided examples of how Personal SWOT analysis may be used to bridge the gap between existing skillsets and job profile. She gave examples regarding the various skillsets required in various IT Domains and the approaches to be followed for a successful career in those domains.

Around 50 students attended the programme. Few of the questions from the audience were taken up by the speaker during the Q & A session. The variety and range of questions raised show that the participants took an active part in the programme. The interaction ended with a Vote Of Thanks by Mr T Shyam Vinay Kiran, Class Representative, III B Tech EEE and a special request to all the Alumni to come and address the Students more frequently.
