About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, Entrepreneurship Cell and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training.

The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Workshop

Soft Skills are the foundation of building good relationships and are integral in one's personal as well as professional life. Be it with the people at the workplace or in any social setting, these skills make it easier to form relationships, create trust and dependability, and lead teams. The program is designed to develop skills like team and time management, creativity and problem solving, analysis and decision making, self-management. The activities of the program contribute for the holistic development of the participants.

Report on Soft Skills Program
13th February to 25th February, 2023

In order to develop and enhance the students' soft skills and career development, the Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering conducted Soft Skills Training Program from 13th February to 25th February, 2023 for the engineering students of II

Year- II Semester. During the open session, the principal of the college, Prof D. Deepak Chowdary encouraged the students to be active participants and constantly improve upon their skills and competencies for their personal and professional growth.

Ms Rekha Rani Konduri, Placement Coordinator told the differences between

hard skills and soft skills and their roles in the job selection process. Mr. D. Bhujanga Rao, Coordinator of Skill Development Centre informed, "Soft skills are an essential part of improving one's ability to work with others and can have a positive influence on furthering your career." Dr. V. Radhadevi, Associate Professor of English and Asst. Dean of Skill Development Centre emphasized the importance of soft skills. She also informed the students that these skills would make it easier to form relationships with people, create trust and dependability, and lead teams.

Mr.K. Sasidhar and Ms Hilda Sharon were the resource persons of the program. Various activities on verbal and non-verbal communication were conducted. Students learnt the importance of management of anger, stress, emotions.

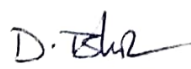

They were also taught to prepare cover letters and resumes. Students were prepared to use appropriate expressions in group discussions and conversations. Students were given the opportunity to participate in various activities like debate, team presentation as a part of training program.

All the Heads of the Departments, Class Coordinators appreciated the students for their active participation in the program. Dr. D. Madhavi, HOD-CSE, Dr. Solomon JV Gowtham, HOD-ECE, Dr. G.T. Naidu, HOD-Civil, Dr. G. Anand, HOD-EEE attended the valedictory program. Students thanked the principal, and the Heads of the Department for offering training program. The principal of the college, Prof D. Deepak Chowdary, Dr. V. Radhadevi appreciated the students for their active participation in the program. A total of 398 students enrolled for the program and 91% of the students gave positive feedback and requested similar programs.

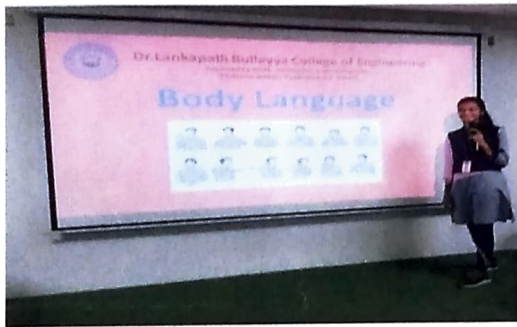

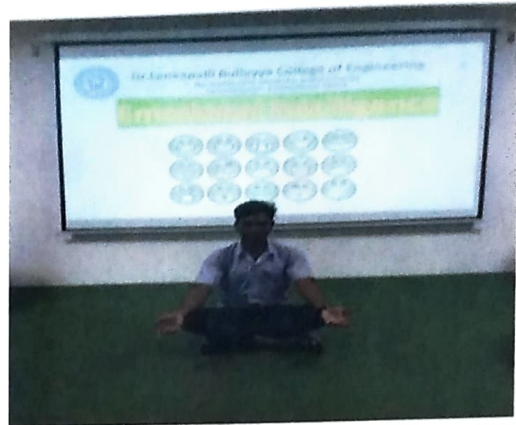

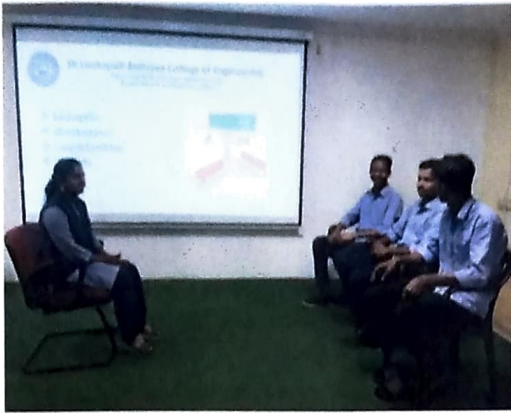

Outcomes of the Program

- Become a more effective individual through self-motivation and practicing creative thinking.
- Function effectively in multi-disciplinary and heterogeneous teams through the knowledge of teamwork, Inter-personal relationships, conflict management and leadership quality.
- Learners will demonstrate the desired soft skills, which are necessary for Participation in various collaborative activities, projects, and internships.

About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, Entrepreneurship Cell and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training.

The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

The importance of soft skills for students is immense, both with regard to their studies and with regard to their future careers. These skills are in direct correlation with improved academic and professional achievement, so students should develop them both for the sake of their education, and for the sake of their professional careers. The program is designed to develop skills like communication, adaptability, persuasion, E.I, Self-management, team, and time management.

Course Contents

Soft Skills- role and importance, Adaptability, Positive Attitude, Emotional Intelligence, Stress Management, Team, and Time Management. Activities to develop Soft Skills, Body Language, SWOT.

Report on Soft Skills Program

6th April to 22nd April, 2022

Soft Skills Training Programme was organized by the Skill Development Centre, Dr. Lankapalli Bullayya College of Engineering for all the engineering students of II Year, II Semester from 6th

April to 22 April, 2022. On the first day of the program, the principal of the college, Prof D. Deepak Chowdary encouraged the students to be active and enthusiastic learners. Placement Coordinator, Mr. Prasad said that the program was organized with an aim to inculcate awareness and adoption of necessary and effective skills like body

language, personality development, emotional intelligence which are required in the workplace and job selection process. Mr. D. Bhujanga Rao, Coordinator of the Skill Development Centre, highlighted the importance of soft skills in getting employment. Dr. V. Radhadevi, Associate Professor of English and Asst. Dean of Skill Development Centre emphasized the importance of body language in the communication process.

Mr.K. Sasidhar and MS Hilda Sharon were the resource persons of the program. Various activities like- *"Know about body language, What are my Strengths, Am I emotionally Intelligent"* were conducted. Students learnt the importance of management of anger, stress, emotions. They were also taught to prepare cover

letters and resumes. Students were prepared to use appropriate expressions in group discussions and conversations. All the Heads of the Departments, Class Coordinators

appreciated the students for their active participation in the program. Dr. Solomon JV Gowtham, HOD-ECE, Dr. G.T. Naidu, HOD-Civil, Dr. D. Madhavi, HOD-CSE, Dr. G. Anand, HOD-EEE attended the valedictory program. Students thanked the principal, and the Heads of the Department for offering training program. The principal of the college applauded the team, SDC, for their support in the smooth conduct of the program. A total of 376 students enrolled for the program and 93% of the students gave positive feedback and requested similar programs.

Outcomes of the Program

- Become a more effective individual through self-motivation and practicing creative thinking.
- Function effectively in multi-disciplinary and heterogeneous teams through the knowledge of teamwork, Inter-personal relationships, conflict management and leadership quality.
- Learners will demonstrate the desired soft skills, which are necessary for participation in various collaborative activities, projects, and internships.

About the College

Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the

iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

Soft skills are linked to emotional intelligence, but also include skills such as communication and listening, conflict resolution, positive relationships, collaboration and cooperation, likeability, civility, and openness to feedback. Employers are constantly stressing the need for employees who possess emotional intelligence and who can collaborate and communicate in teams. The program is designed to develop various skills like team and time management, anger and stress management, positive attitude, and critical thinking, emotional intelligence, and empathy.

Report on Soft Skills Program

24th November to 26th November, 2020

Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering (for Women)

conducted Soft Skills Program from 24th November to 26th November, 2020. The three- day program on soft skills was designed to the II Year engineering students at the college. Soft skills training would generally equip the students with the social and interpersonal skills that enable them to cope with the demands of everyday life. The objective of the

program is to build self-confidence, encourage critical thinking, foster independence, and help students to communicate more effectively. In the inaugural session, principal of the college, Dr. D. Deepak Chowdary said, “the program helps participants become more assertive, communicate effectively with others by developing good listening skills and learn to handle stress and deal with disappointments and setbacks.”

Sri S.M. Rahaman, Vice Principal of the College said, “soft skills to be acquired by every individual as it is necessary in today’s competitive world”. Dr. V. Radhadevi, Mr. K. Sasidhar,

Dr. K. Kishore Varma, Mr. Srinivas Kumar, Ms. Hilda Sharon were the resource persons of the program.

On Day I, students learnt the importance of positive attitude, amicability, adaptability, empathy, and self-confidence. On Day II, trainers elaborated the

concepts of teamwork, leadership, collaboration, cooperation, coordination, delegation, mediation, negotiation. On Day III, students were

On Day III, students were

equipped with time management techniques – prioritizing, planning, delegating. Students also learnt the importance of logical reasoning, lateral thinking, brainstorming during the program.

Activities like debates were conducted to analyse the confidence levels of the students. Mr. Dumpala Bhujanga Rao, Coordinator, Skill Development Centre, Dr. V. Radhadevi, Asst. Dean, Skill Development Centre, Dr. G. Anand, HOD, Electrical and Electronics Engineering, Dr. D. Madhavi, HOD, Computer Science Engineering, Dr. Solomon JV Gowtham, HOD, Electronics and Communications Engineering, Dr. G.T. Naidu, HOD, Civil

Engineering participated in the valedictory program. The students thanked the principal and the management of the college for conducting the program. Dr. D. Deepak Chowdary, Principal, and Sri. Mujeeb Syeed Rahaman, Vice Principal appreciated the trainers for the smooth conduct of the program. The trainers applauded the students for their active participation during the sessions. A total of 242 students enrolled for the program and 92% of the students gave positive feedback and requested similar programs.

Outcomes of the Program

- Become a more effective individual through self-motivation and practicing creative thinking.
- Function effectively in multi-disciplinary and heterogeneous teams through the knowledge of teamwork, Inter-personal relationships, conflict management and leadership quality.
- Learners will demonstrate the desired soft skills, which are necessary for participation in various collaborative activities, projects, and internships.

About the College

Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. The Skill Development Centre aims to create a skill set that is on par with the industry standards by

conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

Soft skills are multifaceted and can include interpersonal skills, social skills, communication skills, attitudes, teamwork, and leadership abilities. These skills empower individuals to communicate effectively, build relationships, and make sound decisions. The program is designed with interactive sessions to develop the art of communication. The program would help the students to develop their higher order thinking skills like creativity, analysis, and evaluation.

Course Contents

Soft Skills- role and importance, Self-Management-Adaptability, Positive Attitude, Team Management and Leadership Qualities, Critical Thinking, Time Management. Activities to develop Soft Skills and Self-Management.

Report on Soft Skills Program

3rd February to 5th February, 2020

A three- day program on Soft Skills was conducted by the Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering (for Women) from 3rd February to 5th February,

2020. Mr. G. Srinivas Kumar, Mr. K. Sasidhar, Dr. K. Kishore Varma, Dr. V. Radhadevi, Dr. Jayasri Shetty were the resource persons of the program. The program began with the inaugural session in which all the heads of the departments, vice principal and principal participated. In the inaugural session, the principal said, "Soft skills are

crucial for engineering students because they enable clear communication with students, teachers and with clients in future. Addressing the students, Dr. G.T. Naidu, Head of the Department, Civil Engineering said, "soft skills are non-technical skills that promote productivity efficiency and effective communication in the workplace". On Day I, the students learnt how positive attitude can make a huge difference in life and how to overcome personal and professional hurdles on an everyday basis. Participants were informed

that people with a positive mental attitude can deal with stress and negative situations in a much healthier way. Students were also explained the importance of self- awareness and creative thinking. On Day II, students were given collaborative tasks to perform. Few students were given the opportunity to present themselves to make them aware of their personality traits. Trainers detailed the role of

leadership, team building, team management. Group discussions were conducted to improve teamwork, and team management skills among the students. On Day III, trainers equipped the students with the concepts of problem solving, critical thinking and time management. Students learnt the importance of adaptability and negotiation skills during the training program. Students also understood the role of empathy, self- motivation, multi- tasking during the sessions. Dr. G. Anand, HOD, Electrical and Electronics Engineering, Dr. D. Madhavi, HOD, Computer Science Engineering, Dr. Solomon JV Gowtham, HOD, Electronics and Communications Engineering, Dr. G.T. Naidu, HOD, Civil Engineering participated in the valedictory program. The students thanked the principal and the management of the college for conducting the program. Dr. D. Deepak Chowdary, Principal, and Sri. Mujeeb Syeed Rahaman, Vice Principal congratulated the trainers and students. The trainers appreciated the students for their active participation during the sessions. A total of 335 students enrolled for the program and 96% of the students gave positive feedback and requested similar programs.

Outcomes of the Program

- Become a more effective individual through self-motivation and practicing creative thinking.
- Function effectively in multi-disciplinary and heterogeneous teams through the knowledge of teamwork, Inter-personal relationships, conflict management and leadership quality.
- Learners will demonstrate the desired soft skills, which are necessary for participation in various collaborative activities, projects, and internships.

About the College

Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a

global scale. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

Report on Soft Skills Program

10th December to 12th December, 2018

From 10th December to 12th December, 2018, Skill Development Centre of Dr Lankapalli Bullayya College of Engineering (for Women) conducted a Soft Skills program for the students of II Year

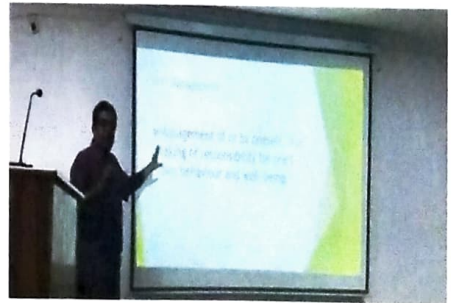

B.Tech. The aim of the program is to impart soft skills among the students systematically to excel in their future endeavors. Dr. Jayasri Shetty, Dr. K. Kishore Varma, Dr. V. Radhadevi, Mr. Srinivas Kumar, Mr. K. Sasidhar were the resource persons of the program. Addressing the gathering, the principal of the college emphasized the

importance of soft skills in various sectors. He added, "they are the social abilities that enable us to interact effectively with others, and they play a vital role in our ability to communicate, collaborate, and solve problems." Dr. G. Anand, HOD, EEE detailed the components of Soft Skills.

On Day I, the trainers enlightened the role of positive attitude and behavior to attain desired goals. Students thoroughly understood self-management as a key role to succeed in life. On Day II, trainers equipped the students with the qualities of leadership and team building.

Students were assigned activities to understand the concepts.

On Day III, time management and strategies to manage stress were taught to the students. Students were also explained the importance of creative- thinking, decision-making and problem-solving strategies. Mock interviews, group discussions were conducted for the students to bring awareness on the importance of body language and effective

communication. The trainers applauded the students for their active participation during the sessions. The students thanked the principal and the management of the college for conducting the program. In the valedictory program, Dr. D. Deepak Chowdary, Principal, and Sri. Mujeeb Syeed Rahaman, Vice Principal thanked the trainers for the smooth conduct of the three-day program. Dr. V. Radhadevi, Asst. Dean of Skill Development Centre, Mr. Dumpala Bhujanga Rao, Coordinator of Skill Development Center, Dr. G.T. Naidu, HOD, Civil Engineering, Dr. D. Madhavi, HOD, Computer Science Engineering, Dr. G. Anand, HOD, Electrical and Electronics Engineering, Dr. Solomon JV Gowtham, HOD, Electronics and Communications Engineering, attended the valedictory program. The program concluded with a vote of thanks by Tanuja. A, II Year Computer Science Engineering. A total of 357 students enrolled for the program and 93% of the students gave positive feedback and requested similar programs.

Outcomes of the Program

- Become a more effective individual through self-motivation and practicing creative thinking.
- Function effectively in multi-disciplinary and heterogeneous teams through the knowledge of teamwork, Inter-personal relationships, conflict management and leadership quality.
- Learners will demonstrate the desired soft skills, which are necessary for participation in various collaborative activities, projects, and internships.
