About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre of the college practices two different types of training, Campus Recruitment Training as well as Campus Specific Training.

The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

Having good English communication skills is crucial, especially when it comes to professional life. If an individual is having good English communication skills, then there will be no difficulty in conversing with colleagues or giving an interview for a job. The program is intended not only to bring awareness on communication skills but also to improve competencies. It also helps the students to develop proficiency in the four language skills: listening, speaking, reading, and writing.

Course Contents

Introduction to Communication. Channels and types of Communication, Listening, Speaking, Reading and Writing Skills. Activities to improve LSRW Skills. Grammar and Vocabulary, Preparing Reports, Effective Presentations, Polite Expressions.

Report on Communication Skills Program

1st November to 15th November, 2022

The Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering conducted a training Programme on Communication Skills for the students of II B. Tech, I Semester from 1st November, 2022 to 15th November 2022. On the first day of the program, Dr. D. Deepak

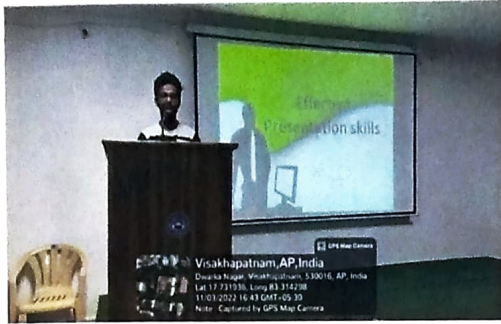

Chowdary, Principal of Dr. Lankapalli Bullayya College of the engineering informed the importance of the program. Mr. V. Raja Rao, Placement Coordinator, spoke on the importance of communication skills in the employment recruitment process. Dr. V. Radhadevi, Associate Professor of English and Asst. Dean of SDC

informed the participants to make use of the program to the maximum extent possible in order to enhance their communication skills – both oral and written. Mr. D. Bhujanga Rao, Coordinator of the Skill Development Centre explained the role of communication skills in day-to-day life.

The faculty members of SDC, Mr.K. Sasidhar and Ms. Hilda Sharon, trained the students to develop their communicative competencies. Students learnt the importance of grammar in both speaking and writing. The students were taught the importance of accuracy and fluency in speaking.

Activities like self-introduction, role plays, presentation skills, extempore were conducted during the training session. Polite expressions were taught to speak effectively during conversations. Students also recognized the importance of topic-sentence and coherence in

writing. The resource persons taught techniques like skimming, scanning, locating taught to develop the reading skills. The trainers emphasized the students to use contextual vocabulary in speaking and writing.

On the last day of the session, the principal of the college, Dr. D. Deepak Chowdary, congratulated the faculty members of the Skill Development Centre for their efforts. Dr. V. Radhadevi appreciated the students for their active participation in the program. Dr. D. Madhavi, HOD-CSE, Dr. Solomon JV Gowtham, HOD-ECE, Dr. G.T. Naidu, HOD-Civil, Dr. G. Anand, HOD-EEE attended the valedictory program. Principal applauded Dr. V. Radhadevi and Mr. D. Bhujanga Rao for the smooth conduct of the program. Students thanked the management, principal, and the Heads of the Departments for organizing the program. A total of 398 students enrolled for the program and 94% of the students gave positive feedback and requested similar programs.

Outcomes of the Program:

- Develop knowledge, skills, and judgment around human communication that facilitates their ability to work collaboratively with others.
- Understand and practice different techniques of communication.
- Involve in conversations without fear, shy and apprehension.
- Socialize with ease and comfort.
- Present the ideas precisely with accuracy.

About the College

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training.

The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

Report on Communication Skills Program

1st December to 15th December, 2021

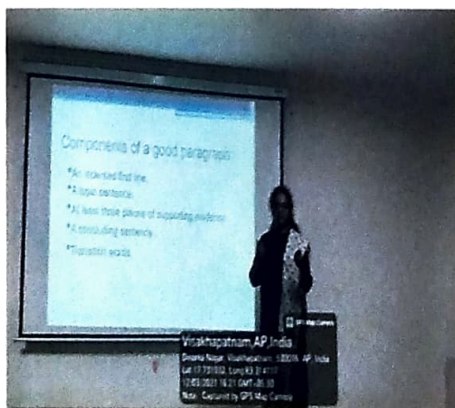

Dr. Lankapalli Bullayya College of Engineering in association with the Skill Development Centre, Dr. Lankapalli Bullayya College of Engineering conducted a Training Programme on Communication Skills from 1st December, 2021 to 15th December 2021 for the students of II B. Tech, I Semester. In the inaugural session, the Principal of Dr. Lankapalli Bullayya College of the Engineering, Prof. D. Deepak Chowdary informed the role of communication skills in the

job selection process. Addressing the students, Dr. V. Radhadevi, Associate Professor of English and Asst. Dean of SDC said, "Good communication skills are essential to allow others and yourself to understand information more accurately and quickly." Mr. D. Bhujanga Rao, Coordinator of the Skill Development Centre, educated the students about interpersonal

and intrapersonal skills.

The faculty members of SDC, Mr.K. Sasidhar and Ms. Hilda Sharon, were the trainers of the event. Activities like team presentations, intensive reading, self-introduction, role plays, extempore were conducted during the training session. Students learnt the basic grammar- Verbs, Tenses, Prepositions and Conjunctions to maintain correctness in speaking and writing. Students were explained the skills in reading, speaking, listening, and writing. Importance of topic sentence and supporting details in a paragraph was emphasized. Classroom quizzes were also conducted to motivate students. Students understood the relationship between vocabulary and communication.

On the last day of the session, the resource persons were applauded by the principal of the college. Dr. V. Radhadevi appreciated the students for their enthusiastic participation in the program. Dr. Solomon JV Gowtham, HOD-ECE, Dr. G.T. Naidu, HOD-Civil, Dr. D. Madhavi, HOD-CSE, Dr. G. Anand, HOD-EEE attended the valedictory program. Principal applauded Dr. V. Radhadevi and Mr. D. Bhujanga Rao for their unstinted support for the smooth conduct of the program. Students thanked the management, principal, and the Heads of the Departments for organizing the program. A total of 294 students enrolled for the program and 96% of the students gave positive feedback and requested similar programs.

Outcomes of the Program:

- Develop knowledge, skills, and judgment around human communication that facilitate their ability to work collaboratively with others.
- Understand and practice different techniques of communication.
- Involve in conversations without fear, shyness, and apprehension.
- Socialize with ease and comfort.
- Present the ideas precisely with accuracy.

About the College

Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set that is on par with

the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

Communication Skills play an important role both in the personal and professional life of every individual. The program is aimed to enable students to effectively communicate in English, understand spoken and written texts, and express their thoughts and ideas accurately. The program will assist the students to use the English language correctly and appropriately in various contexts, demonstrating a solid understanding of language rules and structures.

Report on Communication Skills Program
4th November to 6th November, 2020

Communication Skills Program was conducted from 4th November to 6th November, 2020 by the Skill Development Center of Dr Lankapalli Bullayya College of Engineering (for Women). The program was aimed to impart communication skills among the students at the college and to bring awareness on the importance of English language skills while speaking and writing. The program was also intended to familiarize students with the basics of English language and help them to learn

and to identify language structures for correct English usage. In the inaugural session, Dr. D. Deepak Chowdary, Principal of the college motivated the students to utilize the program. Addressing the students, he said, “Communication skills are essential for students to succeed academically, socially, and professionally.” Mr. Dumpala Bhujanga Rao,

Coordinator of Skill Development Center emphasized, “Communication skills are essential for academic success and students need to be able to communicate their ideas effectively in order to participate in class discussions, give presentations, and write papers.” Dr. V. Radhadevi, Mr. K. Sasidhar, Dr. K. Kishore Varma, Mr. Srinivas Kumar, Dr. Jayasri Shetty were the resource persons of the program. On Day I, students were taught the interconnectedness between listening, speaking, reading, and writing. They were taught various ways to develop LSRW skills. The trainers emphasized the role of clarity, conciseness, correctness, completeness in the communication process. On Day II, various activities like role plays, describing people, objects and places were conducted to develop their self- confidence. Individual and group presentations were conducted for

the students to enhance their competencies. On Day III, appropriate body language, dress code, facial expressions, gestures, postures were elucidated to the students.

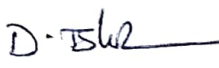

Students from various departments had given presentations on topics like goal setting, self-motivation, positive attitude, creativity etc. The trainers applauded the students for their active participation during the sessions. The students thanked the principal and the management of the college for conducting the program. In the valedictory program, Dr. D. Deepak Chowdary, Principal, and Sri. Mujeeb Syeed Rahaman, Vice Principal applauded the trainers for the smooth conduct of the three- day program. Dr. V. Radhadevi, Asst.Dean of Skill Development Centre, Mr. Dumpala Bhujanga

Rao, Coordinator of Skill Development Center, Dr. G.T. Naidu, HOD, Civil Engineering. Dr. D. Madhavi, HOD, Computer Science Engineering, Dr. G. Anand, HOD, Electrical and Electronics Engineering, Dr. Solomon JV Gowtham, HOD, Electronics and Communications Engineering, attended the valedictory program. A total of 242 students enrolled for the program and 91% of the students gave positive feedback and requested similar programs.

Outcomes of the Program:

- Develop knowledge, skills, and judgment around human communication that facilitate their ability to work collaboratively with others.
- Understand and practice different techniques of communication.
- Involve in conversations without fear, shy and apprehension.
- Socialize with ease and comfort.
- Present the ideas precisely with accuracy.

About the College

Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the iterative

cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

Communication skills play a significant role in academic, personal, and professional lives of individuals. The program is designed to develop fluency and accuracy in speaking. It also assists to develop mastery in writing, reading, and listening. The student centric teaching in the program allows the students to practice the language with a much wider variety of activities and exercises. Apart from teaching LSRW skills, the program facilitates the students to develop their critical and creative thinking.

Report on Communication Skills Program

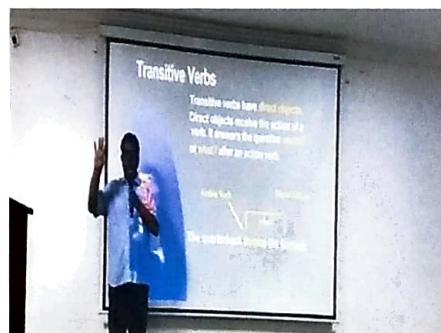

16th to 18th September, 2019

Skill Development Centre of Dr. Lankapalli Bullayya College of Engineering (for Women) conducted Communication Skills Program from 16th September to 18th September, 2019 to the II Year Engineering students at the college.

In the inaugural ceremony, Dr D. Deepak Chowdary, Principal of the college informed the students to utilize the program to develop personally and professionally. Dr. D. Madhavi, Head of the Department, Computer Science Engineering explained the role of communication in teamwork, persuasion, and presentations.

Dr. V. Radhadevi, Dr. Jayasri Shetty, Mr. K. Sasidhar, Dr. K. Kishore Varma, Mr. Srinivas Kumar were the resource persons of the program. Dr. V. Radhadevi said that effective communication is a prerequisite for a person to succeed in his career. She further informed, "the program enables the students to improve their confidence and enhance skills in communication, public speaking, and report presentation." On Day- I, an interactive session was conducted among the students on listening, speaking, reading, and writing. Students were informed to focus on grammar, fluency,

vocabulary, and accuracy. Resource persons explained the significance of self-talk and mind mapping to develop communication skills. On Day – II, students were taught the importance of postures, gestures, facial expressions while giving presentations. They were also taught the role of verbal and nonverbal communication during interviews. Students also detailed the importance of grammar to maintain accuracy in the

communication process. On Day- III, various concepts of communication skills- polite expressions, active listening were detailed. Students were also enlightened on the importance of interpersonal and intrapersonal communication. Students learnt the role of communication skills in the job selection process and in the workplace. Students were also given various activities like extempore, individual and group presentations.

In the valedictory program, Dr D. Deepak Chowdary, Principal, and Sri. Mujeeb Syeed Rahaman, Vice Principal applauded the trainers for the interactive sessions conducted during the three- day program. Dr D. Madhavi, HOD, Computer Science Engineering, Dr. G. Anand, HOD, Electrical and Electronics Engineering, Dr. Solomon JV Gowtham, HOD, Electronics and Communications Engineering, Dr. G.T. Naidu, HOD, Civil Engineering attended the valedictory program. The students thanked the principal and the management of the college for conducting the program. The trainers congratulated the students for their active participation during the sessions. The program concluded with a vote of thanks by Poojitha. R, II Year, Electrical and Electronics Engineering. A total of 335 students enrolled for the program and 94% of the students gave positive feedback and requested similar programs.

Outcomes of the Program:

- Develop knowledge, skills, and judgment around human communication that facilitates their ability to work collaboratively with others.
- Understand and practice different techniques of communication.
- Involve in conversations without fear, shy and apprehension.
- Socialize with ease and comfort.
- Present the ideas precisely with accuracy.

About the College

Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set

that is on par with the industry standards by conducting the iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

Good communication skills in English language help to improve people skills and develop deeper bonds with others. The program kindles the students to think critically, analyze texts, and express their opinions. It is designed to improve the students' ability to evaluate and interpret information in English, engage in thoughtful discussions, and express their viewpoints with clarity and coherence. The program would help to develop LSRW skills through activity-based teaching strategies.

Course Contents

Introduction to Communication. Channels and types of Communication, Listening, Speaking, Reading and Writing Skills. Activities to improve LSRW Skills. Grammar and Vocabulary, Non-Verbal Communication, Effective Presentations, Polite Expressions and Conversational Skills.

Report on Communication Skills Program

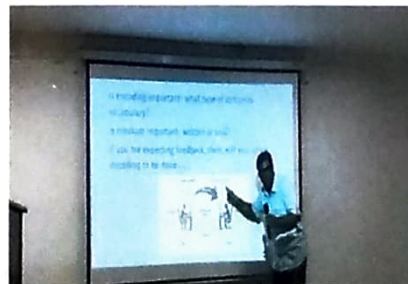

23rd July to 25th July, 2018

A three- day program on Communication Skills was conducted by Skill Development Centre, Dr. Lankapalli Bullayya College of Engineering (for Women) from 23rd July to 25th July, 2018. The program was offered to all the branches of II Year Engineering. In the inaugural session, Dr. V.

Radhadevi, Asst. Dean, Skill Development Centre addressed the students by welcoming them to the three-day program on communication skills. She informed, “the objective of the program is to develop necessary competencies of English language to surpass the upcoming challenges.”

Dr. D. Deepak Chowdary, Principal of the college, informed the importance of the program. Dr. Solomon JV Gowtham, HOD, Electronics and Communications Engineering emphasized the role of receptive and productive skills in the communication process. Dr. V. Radhadevi, Dr. K. Kishore Varma, Mr. Srinivas Kumar, Dr. Jayasri Shetty, Mr. K. Sasidhar were the resource persons of the program.

On Day-I, the concept of LSRW Skills was explained to the students. Strategies to develop pronunciation and techniques to adapt professional writing were detailed. The techniques of skimming, scanning, and locating in reading were also emphasized. Students could understand the importance of listening in the communication process. On Day-II, the role of polite expressions during communication was taught. On Day- III, the trainers threw light on the role of non-verbal communication in the

communication process. The basic grammar was also explained in the program. Students were motivated to give individual and group presentations. Role plays were also conducted for the students.

Dr. G. Anand, HOD, Electrical and Electronics Engineering, Dr. D. Madhavi, HOD, Computer Science Engineering, Dr. Solomon JV Gowtham, HOD, Electronics and Communications Engineering, Dr. G.T. Naidu, HOD, Civil Engineering participated in the valedictory program. The students thanked the principal and the management of the college for conducting the program. Dr. D. Deepak Chawdary, Principal, and Sri. Mujeeb Syeed Rahaman, Vice Principal appreciated the trainers for the elaborative sessions. The trainers appreciated the students for their active participation during the sessions. The program concluded with a vote of thanks by Deepika Karri, II Year Electronics and Communications Engineering. A total of 357 students enrolled for the program and 96% of the students gave positive feedback and requested similar programs.

Outcomes of the Program:

- Develop knowledge, skills, and judgment around human communication that facilitate their ability to work collaboratively with others.
- Understand and practice different techniques of communication.
- Involve in conversations without fear, shy and apprehension.
- Socialize with ease and comfort.
- Present the ideas precisely with accuracy.
