About the College

Dr.Lankapalli Bullayya College of Engineering formerly known as Dr.Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-21. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi.

Our students participated actively and won prizes in the National Science Day Celebrations conducted by NSTL, Defence Research and Development Organization, Visakhapatnam in the category of Innovation for Societal Benefits Model category in February 2022. The college has a dedicated R&D cell, Entrepreneurship Cell and Internal Quality Assurance Cell that continue to guide and mentor the Teaching community towards academic excellence.

About CII Indian Women Network

In 2013, the Confederation of Indian Industry (CII) launched the Indian Women Network (IWN) – with the vision of becoming the largest network for career women. The thought behind the formation of IWN was that career women require a structured network to meet like-minded women to discuss and overcome challenges that they might be facing at the workplace. IWN works towards enabling women to become better professionals and achievers in their respective fields through initiatives and activities.

About the Campus to Career Program

Campus to Career is an innovative initiative of the Indian Women Network meant to help influence and mould girl students in the state of Andhra Pradesh as Professionals by affecting a change in their thinking, attitude and behaviour. Its intent is to empower women to empower the nation. The main objective of the program is to help girl students to brand themselves for the corporate world through relevant social media presence and to tap alumni for positive peer pressure, learning & sharing of best practices. Through this program, it is hoped that girl students will not only get an awareness of IWN but also actively participate in its activities.

About the College

Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible, and qualitative, value-based education. There were four branches of Engineering in the college including CSE, ECE, EEE and Civil with an annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. The college has a dedicated R&D cell, and Internal Quality Assurance Cell that continue to guide and mentor the students towards academic excellence.

About Skill Development Centre

In accordance with the Vision of the College to create Value added Citizens with a world view of empowering themselves and the society through the tool of education, the Skill Development Centre works in tandem with all the departments by inculcating the right admixture of attitude and aptitude essential for students to perform and outshine others on a global scale. To achieve this, the Skill Development Centre practices two different types of training, Campus Recruitment Training as well as Campus Specific Training. The Skill Development Centre aims to create a skill set that is on par with the industry standards by conducting the

Iterative cycle of continuous assessment, evaluation, feedback, and guidance till the required benchmarks are reached.

About the Program

The program helps the students to enhance employability amongst the engineering graduates by imparting required skills for sustained performance and success in career and make them industry ready. The program helps candidates develop a sound understanding of the areas - English, Quantitative Aptitude, Reasoning, Data Interpretation, Computers -tested on the aptitude exams. The program helps the students to succeed in the written examinations of all government and private multinational IT companies. It helps the aspirants in sailing through the process of Group Discussions & Personal Interviews.

Through Proper Channel

Respected Sir,

Subject: Proposal to conduct a Training Programme for IV Year B.Tech Students

As part of guidance for competitive examinations, our Skill Development Centre is planning to conduct a training programme on Verbal Ability, Aptitude, Reasoning from 18-07-2022 to 23-07-2022.

This programme will be useful to the students to pass and obtain a minimum grade in the examinations conducted by APPSC, UPSC, SSC, IBPS and the examinations conducted by companies like TCS, Wipro, Infosys etc.

The programme has been designed to aid the students of III Year B.Tech in their preparation for the upcoming placement tests.

In this regard, I request to kindly grant the permission to conduct this programme.

Thanking you,

Yours sincerely,

(Mr D Bhujanga Rao)
