**Topics Covered:** Recap of Day 1, Creating Assignments, Quizzes, Google Forms, Creating a quiz- MCQ, Objective based, Gap Filling Exercises etc. Grading, inviting other teachers.

**Assignment :** All the participants were requested to create Classroom Code and send.

**Feedback :** Feedback form was sent to all the participants to know whether the participants could create a classroom, deliver materials, prepare assignments, quizzes.

### **Outcomes of the Workshop**

Teachers were able to create an online class with Google Classroom.

- invite/enroll students
- invite co-teachers
- post class material
- post assignments and announcements
- create a collaborative assessment
- create a google form for assessment

### **Issue of E certificates**

E certificates will be awarded to all the participants.

### **Follow up**

A WhatsApp group has been created to clarify doubts, to provide additional material, to send videos of the workshop.

### **Feedback**

- The feedback from the participants has been overwhelming.
- Participants' Feedback of Day 1 & Day 2 is enclosed in attachments.

### **Challenges**

- As the free version of the ZOOM app was used, the session duration was limited to 40minutes and the number of participants limited to 100.
- Most of the participants were new to the ZOOM platform.

Dr Jayavani has elaborated the Resource Mobilization for Research. She has elaborated the ways for getting the Grants from governmental agencies for research projects. She has opined that Institution has to create an ecosystem for innovations and adopt initiatives for creation and transfer of knowledge.

Dr Jayavani has shared the views on the role of Research Methodology, Intellectual Property Rights (IPR) and Entrepreneurship. She has informed the HODs and Faculty members to conduct the workshops/Orientation Programmes/conferences on such aspects.

Dr Jayavani has informed to publish the research papers in the Journals notified on Scopus, UGC care list, national/ international conference proceedings. She has suggested to publish the books and book chapters in edited volumes.

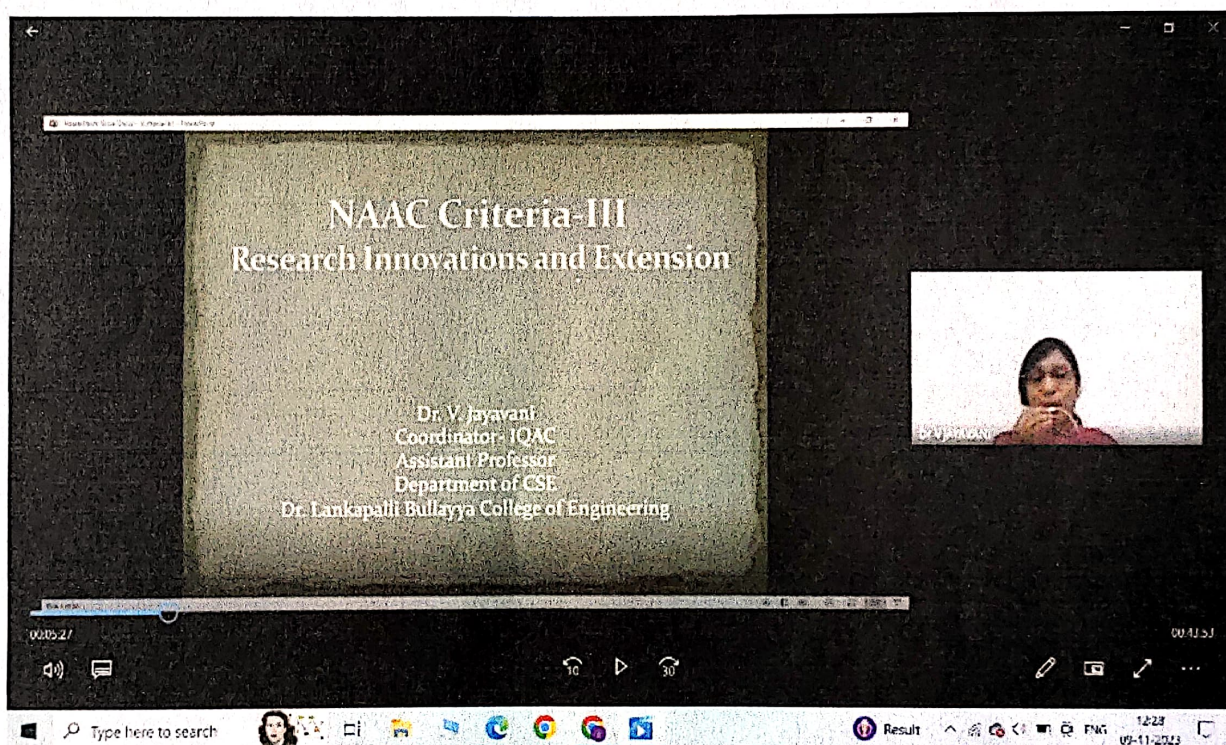

Dr Jayavani has discussed about the Extension activities shall be carried out in the neighborhood community, and sensitizing students to social issues, for their holistic development, and impact thereof, Awards and recognitions received for extension activities from government / government recognised bodies.

She has informed that extension and outreach programs shall be conducted by the institution through NSS/NCC/Red cross/YRC including the programmes such as Swachh Bharat, AIDS awareness, Gender issues etc. She has also informed that these programmes can also be organised in collaboration with industry, community and NGOs.

At the end of the Orientation Programme, she has discussed about the MoUs, collaborations/linkages for Faculty exchange, Student exchange, Internship, Field trip, On-the- job training, research and other academic activities.

During the valedictory, Mr S M Rahaman, Vice Principal has expressed happiness for the delivery of the Orientation Programme and its usefulness for NAAC. The Faculty members were actively involved in learning the topics related to Research, Innovations and Extension. They have thanked the organizers of the Orientation Programme for providing a platform to equip their knowledge.

## II. Campus to Career Program

The first Campus to Career Program was conducted on 18 & 19 September, 2020 for the students of Dr Lankapalli Bullayya College of Engineering Pre final year students actively participated in the two-day training program.

**Dr Rajani Sunkara**, chairwoman, CII IWN Andhra Pradesh, **Ms D Prashanthi**, Vice chairwoman, CII IWN Andhra Pradesh, **Prof D Deepak Chowdary**, Principal, Dr Lankapalli Bullayya College of Engineering, **Dr V Radha devi**, Chairwoman, Campus to Career Vertical, CII IWN Andhra Pradesh, Council members of CII IWN, 6 Resource Persons and 165 students attended the inauguration of the Campus to Career program.

- Campus to Career is an innovative initiative of the Indian Women Network meant to help influence and mould girl students in the state of Andhra Pradesh as Professionals by affecting a change in their thinking, attitude and behaviour. Its intent is to empower women to empower the nation. The main objective of the program is to help girl students to brand themselves for the corporate world through relevant social media presence and to tap alumni for positive peer pressure, learning & sharing of best practices.
- Through this program, it is hoped that girl students will not only get an awareness of IWN but also actively participate in its activities.

Six subject experts were identified to disseminate the relevant skills and knowledge to girl students from select institutions and in this regard, a 2-day Orientation **Train the Trainers** program was conducted for them by the Southern Wing of CII IWN on the **28<sup>th</sup> and 29<sup>th</sup> of August, 2020**. The trainers found it to be an enriching capacity building program to cascade down the training to the target group.

### About the College

Dr. Lankapalli Bullayya College, affiliated to Andhra University, was set up in the year 1973 and has been developed into an excellent academic society. A chain of Commerce, Management, Science & Arts, at Intermediate, Under Graduation and Post Graduation levels, along with an Engineering Institution exclusively for women in the campus provide value based education to meet the educational demands of all strata of society. Dr. Lankapalli Bullayya College of Engineering (for women) was established in July 2010 to meet a strong demand in industries and research organizations for women graduates in engineering. The college has four branches of Engineering Studies namely: Civil Engineering, Computer Science Engineering, Electrical & Electronics Engineering and Electronics & Communication Engineering. The objective of the college is to produce numerous skilled technocrats. Nestling in the beautiful bower in Visakhapatnam (A.P.), the College provides a perfect setting and learning ambience for the emergence of promising engineers.

### About the Department

The Department of Basic Sciences & Humanities strives to teach the scientific theories prescribed in Engineering Mathematics, Engineering Physics, Engineering Chemistry and English language. It also endeavors to prepare students to understand the concepts in applied sciences namely Engineering and Technology. The Department of English in the College of Engineering seeks to impart basic language skills to budding students and strives to teach them English Language Skills, Human & Ethical Values, Soft Skills and Employability Skills.

### About the Workshop

There is a paradigm shift in the role of English Teachers in recent times. The English teacher today is expected to teach English for Specific Purposes (ESP). For this reason, a Two Day Work Shop on ELT is being organized by the Department of Basic Sciences and Humanities to discuss the prerequisites of Teaching of English to Students of Technology.

### Topics to be Covered

- English for Specific Purposes
- English for Students of Technology
- English language Teaching in Professional Courses like Engineering, Legal, Management and Medical
- The emerging trends in English Language Teaching (ELT)
- Psychological Aspects of Learning English
- Socio-linguistic issues in learning a foreign language
- Mother Tongue Influence (MTI) in learning English

### How to apply

Interested candidates willing to attend the workshop may register online or by submitting the hard copy of the filled in registration form given in this brochure.

### Accommodation and Boarding

Outstation participants will have to make own arrangements with regard to boarding and lodging. Working lunch and snacks will be provided at the venue.

### How to reach the host College

The college is situated in Visakhapatnam in close proximity to Airport, Railway Station and RTC Bus Complex. Trains for major Stations are available from Visakhapatnam Railway Station. The city is connected by National Highway (NH-16) between Kolkata and Chennai.

### Places to visit in Visakhapatnam

“English Language Skills are highly essential: A U Registrar”

Seethampeta, February 7<sup>th</sup>: “In the days of Globalization it is essential to gain command over the English Language”, stated the Registrar of Andhra University Prof.V.Krishna Mohan. For this reason he suggested that while giving importance to the Mother tongue it was highly essential to give priority to master English Language. A Two-Day National Workshop titled, “ Emerging Trends in English Language Teaching for the Teachers and Students”, was inaugurated on Friday. Prof.Krishna Mohan who was the Chief Guest of the inaugural function shared his views with the student community on this occasion. He remarked that in the Campus Recruitment Interviews students were evaluated based on their English conversation ability to an extent of 60% while the remaining 40% was based on the command over their Mother language. He expressed the need to organize such Workshops which emphasize the need to focus on the English Language to both the Teachers as well as the Students. Speaking on the occasion, the National Patron of ELTAI, Prof. C.Pradnya said that Teachers of English language were regularly facing challenging circumstances and he urged the English Language teachers to simplify the Teaching of English to Students of Technology. This would generate interest and zeal among the students to learn the intricacies of the English language, he commented. Secretary & Correspondent of the college, Dr.G.Madhu Kumar suggested the teachers to adopt broad perspectives while Teaching the students. Principal of the College, Dr.D.Deepak Chowdary, Dr.Venkateswarlu, Dr.Kishore Varma, Dean Dr.V.Radha Devi, Prof.G.Srinivas Kumar, Dr.K.Satyanarayana, Dr.K.V.L.Purushottam, Dr.G.S.K.Chakravarthy, Heads of Departments, Faculty Members and Students of various Colleges participated.
