About LBCE:

Dr. Lankapalli Bullayya College of Engineering formerly known as Dr. Lankapalli Bullayya College of Engineering for Women was started in 2010 as a part of the group of educational institutions run by the Society for Collegiate Education, Visakhapatnam by the philanthropists and educationalists who visualized the need for serving the society by means of affordable, accessible and qualitative, value-based education. Since its inception this group of educational institutions has been the hub of education and learning in the city of Visakhapatnam since 1973. The Women's Engineering College served the cause of women empowerment and development by providing meritorious service for a decade. The Women's Engineering College then evolved into a full-fledged Co-education Engineering college in the academic year 2020-2021. Currently the College offers B.Tech Programme in four branches of Engineering including CSE, ECE, EEE and Civil with and annual intake of 120 each for CSE and ECE while the intake for EEE and Civil being 60 seats. The college is Permanently Affiliated to Andhra University, Visakhapatnam and approved by AICTE, New Delhi. Being the only Engineering College located in the heart of the city the college strives to work towards playing a proactive role in the intellectual landscape of the city of destiny by building Engineers who are well-equipped intellectually, emotionally and physically to face the life challenges with courage, determination and a smile on their face. The Faculty Members and Management continue to reiterate their shared commitment to improving the living standards of the citizens of Visakhapatnam through the cause of education.
